## JOIN THE BEACON HILL CIVIC ASSOCIATION

The Beacon Hill Civic Association is a proactive volunteer organization of neighbors helping neighbors. BHCA Membership is open to all persons, businesses, and non-profit organizations interested in preserving the character of Beacon Hill. All members are invited to participate in public forums, engage in social activities and serve on committees. The stronger our membership, the greater the effort for the neighborhood.

---

### Membership Levels

#### Founders Circle:

- Benefactor: \$5,000
- Steward: \$2,500
- Sponsor: \$1,000
- Fellow: \$500

#### Other Levels:

- Business/Nonprofit: \$100
- Supporting: \$100+
- Individual: \$50+
  - Individual Senior (for members over age 65): \$30
  - Individual Young Friend (for members under age 35): \$30

For more information, please contact the BHCA office at 617-227-1922 or visit our website at [www.bhccivic.org](http://www.bhccivic.org).

# BOSTON ATHENÆUM

**Visit us.  
Join us.  
See what's happening.**

A unique combination of  
**library, museum and cultural center**  
in a magnificent landmark building.

**And we are right in your backyard.**

10½ Beacon Street, Boston  
[www.bostonathenaeum.org](http://www.bostonathenaeum.org)

**Member supported - Everyone is invited to join.**

Dear Neighbors:

The Beacon Hill Civic Association is a dedicated group of volunteers whose support, time, and energy help make Beacon Hill the special place we all call home. For 100 years, our ongoing efforts in community building, civic engagement, and historic preservation have connected and supported our residents.

Hundreds of neighbors and local businesses are BHCA members, and we hope you are too. If you have not yet become a member, we welcome and encourage you to join. We invite you to attend our many monthly activities and special events held throughout the year. To learn more about the BHCA, and view our schedule please see our website: [www.bhcivic.org/upcoming-events](http://www.bhcivic.org/upcoming-events).

The *BHCA Neighborhood Guide* includes a directory of BHCA business and nonprofit members. These shops, restaurants, and nonprofit organizations are unique and an integral part of our neighborhood. Please help us support them by shopping locally whenever possible.

Now in its twenty-fourth edition, the *Guide* includes valuable information on architectural and zoning guidelines, parking, safety, trash and recycling, and contact information for the local and state officials who serve the neighborhood.

We encourage you to contact the BHCA office with any questions at 617-227-1922 or by email at [info@bhcivic.org](mailto:info@bhcivic.org), and to check our website for the latest information on what's happening in our neighborhood!

Thank you for making Beacon Hill a wonderful place to live, work, and visit!

Sincerely,

Meghan Awe  
Chair

Josh Leffler  
President

## REPORTING CONCERNS TO CITY OFFICIALS

Boston makes it easy to report concerns and complaints on matters such as trash and recycling, traffic and parking, streets and sidewalks, and many other city services directly to the City, by using Boston 311. Your question/request will be entered into an electronic tracking system which allows you to check on the status at a later time. You can report matters to Boston 311 in the following ways:

- Download the BOS:311 app on your mobile device
- Dial 311
- Email [311@boston.gov](mailto:311@boston.gov)
- Tweet @BOS311, using a hashtag plus the service type (e.g. #pothole)
- Visit the Boston 311 website:  
[www.boston.gov/departments/bos311](http://www.boston.gov/departments/bos311)

To report problems such as suspicious activity, loud parties (during the party), and all Police and Fire Department emergencies, dial 911 from your landline or cellphone.

## RESOURCES, RULES AND REGULATIONS FOR BUILDING CHANGES

During the 1950's, Beacon Hill was designated an historic district from Beacon to Cambridge streets, and Bowdoin Street to Storrow Drive. This designation, as well as city zoning and licensing regulations, places limits on how property on Beacon Hill can be altered and/or used without express permission from one or more of these agencies:

- **Beacon Hill Architectural Commission (BHAC)** – needs to approve **all exterior work** to buildings on the Hill that is **visible from any public way**. The BHAC meets monthly on the 3rd Thursday to consider applications based on historical/architectural value, property significance, and the relationship to exterior architectural features of nearby buildings. Contact them:
  - o by phone: **617-635-3850**
  - o in person: Environment Department, City Hall, Room 805
  - o email Nicholas Armata, Preservation Planner:  
Nicholas.Armata@boston.gov

To provide a convenient source of suggestions and resources for residents, the BHCA prepared a guide for Beacon Hill homeowners entitled "Living in a Historic District" found at [www.bhcivic.org/bhca-publications](http://www.bhcivic.org/bhca-publications).

- **Inspectional Services Department (ISD)** – issues the building permits required for all significant changes to property, **exterior and interior**, to ensure that the work meets the City's building code. To obtain a permit or check on existing construction projects, contact them:
  - o by phone: **617-635-5300**
  - o in person: 1010 Massachusetts Avenue, 5th floor
  - o online: [www.boston.gov/departments/inspectional-services](http://www.boston.gov/departments/inspectional-services)
- **Zoning Board of Appeal (ZBA)** – oversees building changes that relate to additions, expansion of living area, construction of roof decks, conversion of basements, etc. which may require **zoning relief** in addition to a building permit. If the permit application is rejected by ISD, contact the ZBA to apply for a variance, and the Beacon Hill Civic Association to be placed on the agenda

for the monthly Zoning & Licensing Committee meeting. Learn more at [www.boston.gov/departments/inspectional-services/zoning-board-appeal](http://www.boston.gov/departments/inspectional-services/zoning-board-appeal), or contact:

- o by phone: **617-635-4775**
- o in person: 1010 Massachusetts Avenue, 5th floor

- **Transportation Department (BTD)** – governs street occupancy permits that may be needed for **temporary** parking of dumpsters or dump trucks during demolition and unloading of materials during construction. These permits may **not** be used for parking of personal vehicles. The initial permit is granted by the BTD but renewals must be obtained via a signed affidavit from the BHCA. Learn more at [www.cityofboston.gov/streetoccupancy](http://www.cityofboston.gov/streetoccupancy), or contact:

- o by phone: **617-635-4680**
- o in person: 1 City Hall Square, Room 721

### EXCESSIVE NOISE

Noise pollution is prohibited in Boston under an ordinance entitled “Regulations for the Control of Noise in the City of Boston”, which is enforced by the City’s Environment Department. The Boston Municipal Code (Chapter 16, section 26) sets the general standard for noise that is unreasonable or excessive: louder than 50 decibels between the hours of 11:00 p.m. and 7:00 a.m., or louder than 70 decibels at all other hours. The code includes specific provisions regarding car alarms, construction hours, and loud speakers and other amplification devices.

- **Complaints of noise by construction or other sources** can be addressed by calling:
  - o The Environment Department: **617-635-3850**
  - o Boston 311: **311**
- **Excessive noise from neighbors and loud parties:**
  - o The Boston Police Department: **911** during the party, 617-343-4240 at other times

For excessive noise from events on the Boston Common or the Esplanade, contact information is available on the website under [www.bhccivic.org/excessive-noise](http://www.bhccivic.org/excessive-noise).

## RECYCLING, TRASH & RATS

To keep Beacon Hill clean and green, as well as comply with city ordinances and state law, please follow these guidelines:

- Trash and recycling are picked up Mondays and Fridays at 6 a.m.
- To get reminders of trash and recycling pick ups, go to [boston.gov/departments/public-works](http://boston.gov/departments/public-works) and sign up for the Trash Day app.
- Use tightly closed heavy black trash bags – not paper bags. Place trash at the curb between midnight and 6 a.m. on the day of pick-up to prevent rats from being attracted to and chewing through the bags. This also keeps trash pickers from strewing trash around on the sidewalk and street.
- Use clear plastic bags for your “single-stream” recycling of the following items (all un-soiled):
- Clear plastic bags are only allowed if you do not have enough space for a blue recycling bin in the following neighborhoods: Back Bay/ Bay Village, Beacon Hill, Charlestown, Chinatown, Downtown, East Boston, Fenway, Mission Hill, North End, Roxbury, South Boston, the South End, and the West End. Please note: Bags need to be 32 gallons or less. Do not put recyclables in plastic grocery bags. Clear plastic recycling bags are available at local retailers.
- Learn more at [boston.gov/recycling](http://boston.gov/recycling)

Contact the Department of Public Works [boston.gov/departments/public-works](http://boston.gov/departments/public-works) or Boston 311 if you experience one of these problems:

- Missed trash or recycling pick-up
- Trash code violations or illegal dumping
- Questions about disposal of large, bulky items (TVs, computer monitors, appliances) or hazardous materials

**Other Recyclables** (not picked up curbside)

**What is it?**

Compact Fluorescent Lightbulbs

Batteries (Lithium & Rechargeable only)

Mobile Phones

Books

Computer Monitors

Hazardous Waste, Paint, Oil, etc.

Old Prescription Medication

**Take it where?**

Call 311 for schedule, drop-off dates, and locations

Call 311 for schedule, drop-off dates, and locations

Call 311 for schedule, drop-off dates, and locations

*Boston Public Library* at 151 Cambridge St.

Call 311 for schedule, drop-off dates, and locations

Call 311 for schedule, drop-off dates, and locations

*Police Department, District A-1* at 40 New Sudbury St.

Non-rechargeable alkaline batteries can be thrown away in your daily garbage. There is no need to recycle them.

To check whether other items can be recycled curbside, go to [boston.gov/trash-and-recycling](http://boston.gov/trash-and-recycling) and click "search the trash and recycling directory" under Quick Links.

**IF YOU SEE A RAT**

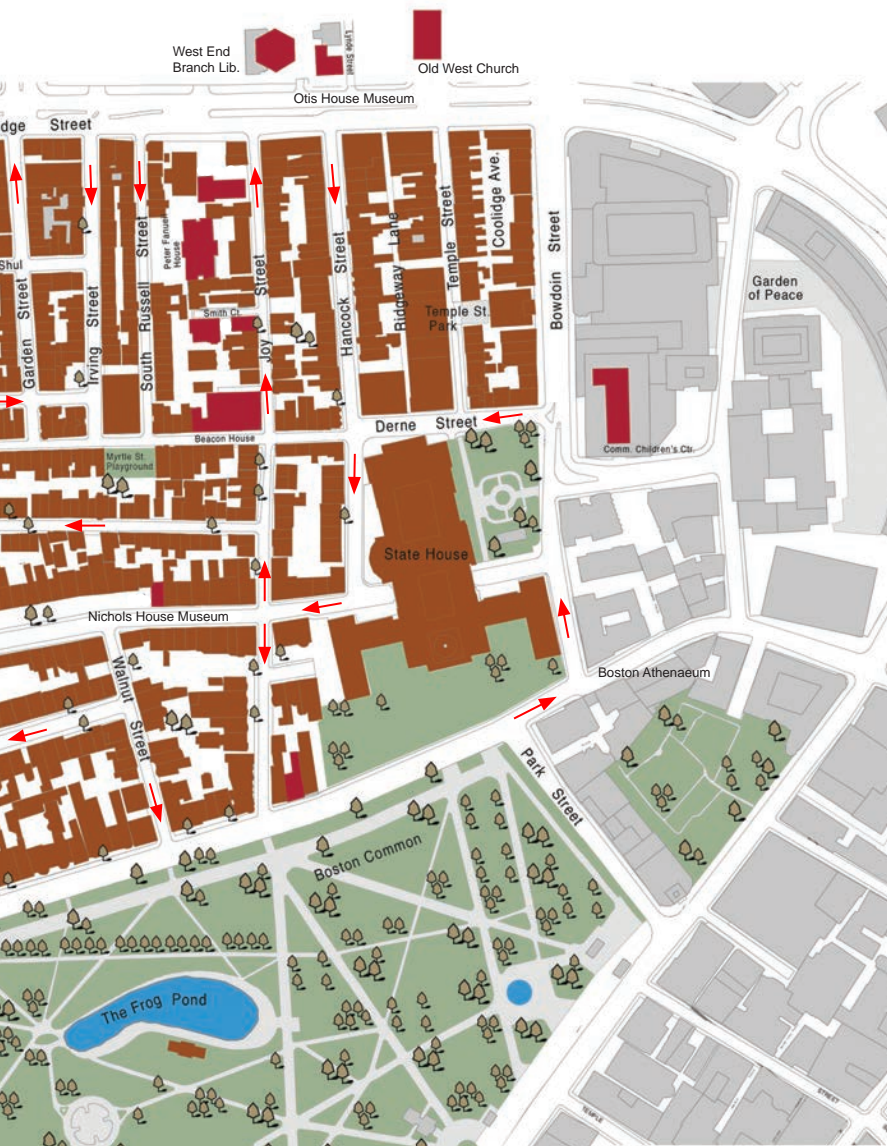

- Call **Inspectional Services Department**, Environmental Services: 617-635-5300
- Call Boston 311
- Report the sighting at [boston.gov/departments/inspectional-services](http://boston.gov/departments/inspectional-services)

Be sure to indicate the exact location of the rat sighting, and leave your phone/contact information in case access to private property is required.

- Exceptional faculty and robust program
- Two spacious gyms and steps from three large, open green spaces
  - Character education
- Children thrive in a nurturing environment!

### OPEN HOUSES

- October 19 or December 6 at 9:00 AM
- November 7 at 6:00 PM

Register: [www.parkstreetschool.org](http://www.parkstreetschool.org)

**TODDLER - GRADE 6** | 617-523-7577 | [PARKSTREETSCHOOL.ORG](http://PARKSTREETSCHOOL.ORG)  
**PRESCHOOL:** ONE PARK STREET | **ELEMENTARY:** 67 BRIMMER STREET

### STREETS & SIDEWALKS

The maintenance of the historic brick sidewalks, streets and gas lamps is the responsibility of the Public Works Department, but getting it done requires vigilance and effort on the part of all residents.

Residents have several ways to request repairs or to alert Public Works to a problem:

- Online: [311@boston.gov](mailto:311@boston.gov)
- Call Boston 311 or directly to the Department of Public Works: 617-635-4900
- **BOS:311** app for iPhone or Android
- Contact the BHCA at [info@bhcivic.org](mailto:info@bhcivic.org)

Residents can also report graffiti through these channels.

To report a clogged catch basin, call the Water & Sewer Commission at 617-989-7000.

Visit [boston.gov/departments/public-works](http://boston.gov/departments/public-works) for more information.

### STREET SWEEPING

The Public Works Department street sweeping program in Beacon Hill runs March 1st through December 31st.

- All parking spaces on the odd side of the street are swept during the 1st, 3rd, and 5th weeks of the month.
- All even side spaces are swept during the 2nd and 4th weeks of the month.
- Portions of Beacon, Cambridge and Charles Streets are swept on unique schedules.

Residents are encouraged to check their specific street sweeping schedule as posted on each street. The City of Boston’s website: [www.boston.gov/departments/public-works/all-about-street-sweeping](http://www.boston.gov/departments/public-works/all-about-street-sweeping), is another source of information. Additionally, residents are encouraged to sign up to receive NO-TOW email alerts the night before their streets are scheduled for sweeping. All vehicles are subject to towing on street sweeping days if not moved by 8:00 a.m.

- NEW HEATING SYSTEMS
- NEW PLUMBING
- GAS PIPING AND STOVE HOOKUPS
- SPRINKLERS AND BACKFLOW PREVENTERS

### ICE & SNOW

Clearing sidewalks after a storm and maintaining clear gutters is the responsibility of property owners.

To report unsafe sidewalks and pathways:

- Use the iPhone/Android **BOS:311** app
- Call Boston 311
- Online: 311@boston.gov

Beware of icicles hanging from downspouts and gutters.

If a **snow emergency** is declared, parking restrictions will be in effect on the following streets:

- Beacon Street
- Cambridge Street from Staniford to West Cedar streets
- Charles Street from Beacon Street to Charles Circle

Stopping, standing and parking on these streets will be prohibited until the emergency is lifted. Residents can learn more about alerts for snow emergencies, parking bans, and school cancellations at [boston.gov/winter-boston](http://boston.gov/winter-boston).

### SAFETY

#### **Boston Police Department**

- All residents should exercise judgment and caution in walking around the streets, particularly late at night, and should call **911** at any time a police officer is needed at the scene immediately.
- Alert residents are the eyes and ears of the police for the neighborhood. If anything looks suspicious, the police urge residents to call **911** whether the situation appears to be an emergency or non-emergency.

#### **Fire Department**

The closest fire station is Engine 4, Ladder 24

- 200 Cambridge Street
- 911 (emergency)

## TRAFFIC & PARKING

Street parking on Beacon Hill is free to residents:

- **Resident Parking Permit Program:** Many of the parking spaces on Beacon Hill are regulated as “Resident Parking Only”, and a smaller number of spaces are posted as “Visitor Parking” for guests of neighborhood residents.
  - o **Resident Parking Stickers:** A properly displayed resident parking permit is required to park in a “Resident Parking Only” space. Residents can get a parking permit for the first time by appearing in person between 9:00 a.m. and 4:30 p.m. at the office of the Parking Clerk, Room 224, Boston City Hall. Parking permits are issued at no charge and are valid for two years; thereafter they may be renewed online. To obtain a permit you must present:
    - A valid Massachusetts auto registration indicating that your car is registered and principally garaged in your name at your current Beacon Hill address.
    - A proof of residency, such as a current utility bill, credit card statement, lease agreement, or monthly bank statement bearing your name and Beacon Hill address. The proof of residency must be postmarked or signed within the past 30 days.
    - All outstanding tickets must be paid before the permit will be issued.
  - o For more information, or to renew online, visit [www.boston.gov/departments/parking-clerk/how-get-resident-parking-permit](http://www.boston.gov/departments/parking-clerk/how-get-resident-parking-permit) or call 617-635-4410.
- **Parking Meter Spaces:** Metered spaces are available on Beacon, Cambridge and Charles streets between the hours of 8:00 a.m. and 8:00 p.m. Monday through Saturday. Vehicles may park for up to two hours without incurring a violation. Between 8:00 p.m. and 8:00 a.m., metered spaces revert to free parking unless a sign indicates otherwise.

Unfortunately, at some point a resident, or a resident’s guest or contractor, is likely to receive a parking ticket. For information on fines and how to handle them, visit [boston.gov/departments/parking-clerk/how-pay-parking-ticket](http://boston.gov/departments/parking-clerk/how-pay-parking-ticket).

### TOWED CARS

If you believe your vehicle was towed in Boston, call either the Boston Police Tow Line, 617-343-4629 or the Boston Tow Lot, 617-635-3900 to locate the vehicle. Or search the online towing database: [boston.gov/departments/transportation/how-get-your-towed-car-back](http://boston.gov/departments/transportation/how-get-your-towed-car-back).

### TREES

Beacon Hill’s greenery greatly enhances the livability of the neighborhood. The BHCA encourages residents to take an active role in caring for our trees and plantings by following advice offered by the Beacon Hill Garden Club and the City’s arborist:

- **Water new trees** once a week for the first two years, preferably in the morning. Unless there is ample rain, begin watering in April and continue through the summer, tapering off when the leaves begin to fall. Trees require 10 gallons of water per week. If there is a tree “gator”, make sure it is filled. If you use a hose, run it at low pressure for about 30 minutes. Older trees don’t require watering except when there is a severe drought.
- **Do not build up soil** so that it covers the flare of the tree. Smothering the flare and roots may cause a tree to die.
- Mulch the tree pit, using **hemlock or pine bark mulch**, to a depth of no more than two inches. Do not add other materials to the tree pits.
- **Planting** perennials, bulbs or other annuals in the tree pit can benefit the tree. Hosta, vinca, pachysandra are hardy alternatives. When planting, be careful not to damage the tree’s roots.
- **Protect trees** from dogs, bicycles and cars by installing a tree fence or guard. Advice on installing tree guards is available through the BHCA office, 617-227-1922.
- To report a tree that needs pruning or replacing, please call both the City at 311 and the BHCA office.

## *Scoop the Poop*

### **Curb Your Dog**

As a dog owner, you can help prevent contamination of local waterways and parklands from dog waste by picking up after your dog. After picking up the dog waste, it should be placed in a trash receptacle or a place specifically reserved for dog waste. Never throw dog waste into the grates in the street - these grates are catch basins, which are part of Boston's underground storm drain system.

### **Why Scoop**

Pet waste contains potentially harmful microorganisms which can cause stomach illness and rashes in humans. Pet waste that is not scooped up or is dumped down a catch basin can get flushed directly into storm drains. These storm drains discharge directly to Boston Harbor, or the Charles, Muddy, Mystic or Neponset Rivers. Thousands of people boat, fish and use these water bodies recreationally every day.

### **Pooper Scooper Law**

The City of Boston's dog fouling ordinance, section 16-1.10a, also called the "Pooper Scooper Law," requires dog owners to remove and properly dispose of any feces left by their dogs. This ordinance covers waste left by dogs on sidewalks, streets, parks and neighbors' yards. Violation of this regulation is punishable by a fine of \$50.00 for each occurrence. If you have any questions about the "Pooper Scooper Law," please contact the City of Boston's Animal Control Department at (617) 635-5348.

### **Help Protect the Environment**

- When walking your dog take a plastic bag with you to pick up the pet waste. Be sure to place the bag in a trash receptacle.
- Never dispose of pet waste in a catch basin.
- Dog waste CANNOT be used as fertilizer! Never place dog waste near a tree or in soil - the bacteria in the waste does more harm than good and it also can end up in a local waterway!

### **Help Educate Your Community**

The Boston Water and Sewer Commission (BWSC) is dedicated to helping create cleaner, more enjoyable rivers and harbor in the future. Tell a friend, neighbor or family member how to properly dispose of pet waste. Individuals and groups can help by stenciling "Don't Dump" awareness messages next to the catch basins. BWSC's Storm Drain Stenciling Program can help organize such an effort and provide the necessary materials. Contact BWSC's Communications Department at (617) 989-7000 for additional information on this program.

We need help from the public! So please, pick up after your pet and dispose of the waste properly! The rivers and harbor thank you for it.

**Boston Common Garage.** So green...  
you'll think you parked on the Common.

We're proud to support the BHCA in its mission to preserve and enhance historic Beacon Hill. The Boston Common Garage is the smart choice for parking in Boston. Safe, affordable, convenient and also the greenest garage in Boston. Charge your electric vehicle, park your hybrid car, and even pick-up or drop-off a Zip Car.

**Boston Common Garage.**  
*As green on the inside as it is on the outside.*
