

common cathedral
15 Newbury St.
Boston, MA 02116

Dear friends at the Beacon Hill Civic Association,

In December of 2021, you granted *common cathedral* \$5,000 for our weekly program, BostonWarm, so we could feed our hungry neighbors hot and healthy meals. You have been great partners with us as we are continuing to provide essential and life-preserving services to our unhoused siblings. Your impact has made it possible for us to lift up leaders in our community to prepare, cook and serve meals to their friends.

We've been able to make a variety of meals including chicken or vegetable curries, beef or spinach samosas, hearty soups, shepherd's pie, rice-based dishes with meat and vegetables, and many more. These warm and nutritious meals were not only in abundance, but deliciously worthy of seconds!

We thank the Beacon Hill Civic Association for the opportunity to provide for one another and, by utilizing the funds from this grant, be generous with our gifts in this community.
