

### Lease Addendum Regarding Trash Removal Rules

12: **Trash Collection:** Tenants are responsible for recycling and trash removal in accordance with the City of Boston/ Beacon Hill rules and guidelines. Tenant agrees that it is a requirement of the Lease Agreement for tenant to comply with all City of Boston rules regarding trash and recycling disposal. Trash is collected at 112 Myrtle Street on **Monday and Friday mornings**. Trash should be put out in sturdy plastic bags after 5 PM the night before the City pickup or in the AM before pickup on the designated day. It is preferable to put out trash in the morning just prior to pick up. If the Lessee is responsible for ISD trash related violations, identified by an ISD inspector, the Lessee will pay the fine associated with the violation. Tenant acknowledges reading the attached Trash Collection Guidelines and agrees to strictly adhere to said rules, as may be amended by the City.
