

Proposed 'Meeting House Square'

Please join the Beacon Hill Civic Association and the Beacon Hill Business Association for a community discussion about the proposed 'Meeting House Square' on Tuesday, September 27, at 7:00 p.m. at the Firehouse, 127 Mount Vernon Street.

The Square, proposed by the Joint Charles Street Committee, would be designed to beautify the area along Mount Vernon Street between Charles and River streets. Aesthetic improvements would include brick pavers, a wider sidewalk and larger planting beds. It does not propose changes to the existing traffic patterns. The streetscape improvements would help frame the historic Meeting House while also creating a community asset for Beacon Hill residents, according to BHCA's John Corey, who co-chairs the committee with BHBA's Susan Symonds. "Part of the proposal would be to form a 'Friends' group to help maintain the area in a first-class fashion," he said.

Beacon Hill residents are encouraged to participate in this forum, hear the presentation, view line drawings, ask questions and offer suggestions about the proposal.
