

Golden Broom Award

If you know of someone who regularly sweeps in front of his/her property or a block that is always kept clean by its residents, please nominate them for the first annual Golden Broom Awards!

As part of its Clean.Sweep.Repeat. Once a week. campaign, the Beacon Hill Civic Association will honor residents and shopkeepers with a Golden Broom Award throughout the year. There is no limit to the amount of winners. The more people who assume the responsibility of cleaning themselves, than the cleaner the neighborhood will be. We are hoping for a lot of Golden Broom awardees.

Please let us know the name, address and good deeds done by the individual(s) you select, and send your nomination to us at info@bhcivic.org.
